In Person + Online
Environment

Course Content

EDSQ is mapped to the government's five key digital skills areas:

▶ Using devices and handling information - including smartphones and laptops

▶ Creating and editing - develop skills with the MS Office Suite (Word, PowerPoint and Excel)

▶ Communicating - using email and social media platforms

▶ Transacting - online shopping, banking and other financial tools

▶ Being safe and responsible online - online safety and digital wellbeing

Requirements and Qualifications

Entry Requirements

▶ Complete an Initial Assessment with ELATT

Qualifications

▶ EDSQ at Level 1 awarded by Ascentis

▶ Internal accreditation (RARPA) at Level 2

The exam will be conducted in person at one of ELATT's neighbourhood centres.

Progression

▶ Level 1 or Level 2 Functional Skills

▶ Level 1 or Level 2 Teaching Assistant Course

▶ Level 2 IT courses
