Our charitable objects

- (i) The education and training of young persons and adults in Hackney, Tower Hamlets and other disadvantaged areas of London in the skills essential for adult and working life, including information and communications technology.
- (ii) The provision of advice, guidance and support so that such persons may benefit from education, training and employment.

Strategic Objectives 2020 - 2023

Meeting Needs

ELATT will seek to provide fit-for-purpose training and education, that meets the specific needs of those we aim to help. We will teach the skills they need, delivered in the ways they need, with the support they need.

Enabling Progression

We will focus on the social integration, personal independence and employment outcomes that our students need by building great relationships with our communities, employers and industry, delivering a curriculum that community and employers value, and enabling progression to further learning and training, work experience, employment and apprenticeships.

Funding and sustainability

We will seek to secure our ability to continue to provide high quality services, diversifying our sources of funding and increasing efficiencies, and continuing to focus on the quality of our provision, which in turn improves our ability to attract funding.
