

Our Values

Issue Date: 05.04.2023

▶ **We believe in excellence**

We believe in people – their talent, ambition and goals
We believe that excellence in learning can transform lives

▶ **We bring communities together**

We are inclusive – providing support, opportunity and aspiration
We are diverse - we serve all walks of life
We collaborate and achieve with the support of our partners

▶ **We understand learning**

We are experts in helping people learn
We innovate in curriculum, services and projects
We are relevant, giving people tools and skills for today and the future

▶ **We work together**

We're optimistic and ambitious – a united force
We work as one - we listen; we plan; we act
